Because 100% of the students at Room Nine Community School benefit from the innovative programs and activities, we strive for 100% participation in the pledge program. **If you can't pay the entire suggested pledge amount, please let us know what you can pay.** Each dollar pledged and paid will directly reduce the amount of fundraising necessary by one dollar. (Please see the Room Nine Handbook for a full explanation of the pledge system and rationale.)

Thank you! Remember, pledges are tax-deductible!
