Fax: 206.393.4183
E-mail: RNCS.Auction@gmail.com

Greetings!

I'm writing to ask for your consideration in donating to Room Nine Community School's upcoming auction. Room Nine is a public, community involved K-8 school for children from Shoreline and the greater Seattle area.

Each year, we raise thousands of dollars to enrich our unique programs with the generous support of many local businesses, and encourage our community to support your business in return!

Donations to our non profit PTSA group support the following:

- Twice Yearly Outdoor Education Camps for all Students, Teachers and Families
- Foreign Language at all grade levels
- Innovative "STEAM" program (Science, Technology, Engineering, Arts & Math)
- Thematic, Multi-Age learning that encourages discovery, innovation, and cooperative work.

Our parents commit to covering a large portion of our budget through monthly payments or "Pledges" and fundraising proceeds cover the remainder.

We would be delighted to have you visit our website at www.roomnine.org to learn more about our wonderful school.

Thank You for taking the time to consider our request!

Feel free to contact me if you have any questions. Our procurement deadline is March 9th, 2012.

Gratefully,

Sherry Edwards
